The 1877 cts. ordered you did not send, you quoted us and by return mail we ordered them forward and the letter reached you 1/2 day before you sold them to that dealer.

Our Mr. A. Wool letters reach the Philadelphia office on Bank St. before noon each day and thus there was fully 5 hours ahead.

The fact of you quoting, we think you would of held two or three for us at least.

We have sold two proofs and one uncirc. on basis of your postal and we think you should make them good. We are doing a large coin business too, and now one can not give options for ever, YET it does not pay to SHUT a customer off inside of 24 hours. Mr. Geo. C. Arnold,

Dear Sir:-

We send herewith 100 half cents for \$10 and have complied with your request, putting in the dates desired which are much more than the 25¢ expressage extra. We cannot afford, having put them in, to pay expressage, so we leave that for you to do. They are very cheap and at last auction, sold for \$12 thought not so good.

Yours respectfully,

S. H. Chapman

100 half cents,

\$10.

Dear Charmans.

1/2 cts. rec'd. all O.K. and where we note you complied in part, but we had to pay Ex. of .30 cts. or same, and you will quit the 1805-3 specimens were poor.

However we enclose cheque in full, appreciating that you did not have any say.

We have some 400 U.S. Dollars from 1840 to 1875 in poor condition, except the 1851-2 which are in good condition. The price, the 182-4 is \$1.00 you should at least get 1/2 of it for the other 1840-1875 is 1/2 of it.
